- iv. Taj Mahal means “_____”.

Taj Mahal of India - "the epitome of love", "a monument of immeasurable beauty". The beauty of this magnificent monument is such that it is beyond the scope of words. The thoughts that come into the mind while watching the Taj Mahal of Agra is not just its phenomenal beauty, but the immense love which was the reason behind its construction. Mughal Emperor Shah Jahan got this monument constructed in the memory of his beloved wife Mumtaz Mahal, with whom he fell in love at the first sight. Ironically, the very first sight of the Taj Mahal, the epitome of love and romance, also leaves visitors mesmerized and perpetually enthralled. Standing majestically on the banks of River Yamuna, the Taj Mahal is synonymous to love and romance. It is believed that the name "Taj Mahal" was derived from the name of Shah Jahan's wife, Mumtaz Mahal and means "Crown Palace". The purity of the white marble, the exquisite ornamentation, precious gemstones used and its picturesque location, all make a visit to the Taj Mahal gain a place amongst the most sought-after tours in the world. However, until you know the love story behind the construction of the Taj Mahal, the beauty of the same would not enliven in your heart and mind and instead would come up as just another beautiful building or monument.
